**Subject:** 413 Highway

To Region of Peel Council

As a 43 year resident of Caledon, I am registering my concern and opposition to the proposed Highway 413 that will cut through Caledon & other neighboring regions.

As an environmentally aware person, I feel that this proposal will create irrevocable harm to our wetlands and farmlands.

I am urging Peel Council to oppose Highway 413, and support a full Federal Environmental Assessment, so that no work can begin until we know all the facts about what impact building this highway will have.

Do we really need another highway?
