REPORT HIGHLIGHTS

- On October 22, 2020 Regional Council adopted Peel's Community Safety and Well-being Plan (2020-2024).
- The Community Safety and Well-being Plan provides a roadmap for how partners can work collaboratively across different sectors towards a shared commitment for making Peel a safer, and more inclusive and connected community where all residents can thrive.
- To signify commitment and endorsement of the Plan, the Town's Senior Leadership team will sign the Community Safety and Well-being Plan as a contributing organization.

DISCUSSION

Peel's Community Safety and Well-being (CSWB) Plan provides a roadmap for how partners can work collaboratively to tackle the issues of family violence, mental health and addiction issues, and systemic discrimination. The CSWB Plan, a shared commitment, was unanimously adopted by Regional Council on October 22, 2020.

A Community Planning and Partnership Agreement (otherwise known as the Stakeholder Agreement, Schedule "A") was developed for CSWB Plan partners to demonstrate their commitment to the CSWB Plan. Partners of Peel's CSWB Plan are working to address complex social issues facing Peel. These strong collaborative efforts will result in healthy communities that foster well-being and success.

Stakeholder Agreement Process

The Stakeholder Agreement is for Peel partners who want to sign on and commit to the deliverables and outcomes of the CSWB Plan through the goals and commitments contained within the Stakeholder Agreement. The Secretariat is seeking adoption and signatory commitment from CSWB Plan from the Town of Caledon and other partner organizations.

- The Stakeholder Agreement will be monitored and evaluated annually by the Secretariat to ensure deliverables and outcomes are being adhered to and executed by signed partners.
- Every four years, the Stakeholder Agreement will be reviewed for aligned goals and commitments to the direction of the Plan.

Statement of Promise

The Stakeholder Agreement includes the following statement of promise: “We commit to strong collaboration to prioritize, adopt and participate in the Community Safety and Well-being Plan with stakeholders; and to facilitate access to services and supports that advance safety, inclusivity and well-being for all residents of Peel.”

Goals and Commitments

The CSWB Plan will be achieved through strategic partnerships, applying an equity and social determinants of health lens, a collective impact approach and a place-based approach.

Overall, the goals of this partnership (through the Stakeholder Agreement) are to develop and strengthen cross-sectoral partnerships to accomplish the shared goals, objectives and strategies of the CSWB Plan including integration and alignment of organizational mandates and strategic priorities where applicable.

By signing the CSWB Plan, the Town agrees to adopt the thirteen commitments as outlined in detail, in Stakeholder Agreement.

There are no immediate financial implications associated with this report.
