Subject: Stop Highway 413

**CAUTION: EXTERNAL MAIL. DO NOT CLICK ON LINKS OR OPEN ATTACHMENTS YOU DO NOT TRUST.**

Peel Regional Council, Mayor Brown and Councillor Medeiros,

I am a parent and resident of Peel and I oppose the creation of Highway 413. I'm concerned about the impact on hunger and environmental issues for future generations. Canadians should be proud to protect their natural habitat and recognize how it impacts daily living. A thirty second increase in commuting will not reduce environmental stresses and will be a waste of funds that could otherwise be spent on a much required hospital. We must step forward and place the environment first for the well-being of all, today and for the future.

I implore you to set a clear stand for Peel Region. Don't support the creation of Highway 413, as it will destroy Ontario's Greenbelt and farmland. Stand strong for your people and say NO to another destructive mega-highway.

Have a Great Day =)
