Subject: Fwd: Highway 413

Good Day,

My name is Norbert D'Costa. I am a resident of Brampton North. I totally oppose Hwy 413 as it is costly both monetarily and environmentally with no discernable value except to those who will profit from increase in land value, "land developers" (what an oxymoron!). I've previously emailed my mayor and councillor (see below). Please put me on record being against 413.

Best Regards,

Norbert D'Costa

Honorable Mayor & Dear Councillor Williams,

I'm writing to express my disappointment that Brampton is not taking a strong stand against the construction of Highway 413 while Mississauga and other neighbouring cities are demonstrating leadership in this matter.

Best Regards,

Norbert D'Costa
