Good morning Planning and Growth Management Committee

I will be brief.

I am asking that Peel Region put a pause on their Official Plan Review until such time as the pandemic is resolved. The Land Needs Assessment and Intensification Analysis cannot be properly addressed at this time. Reference agenda items 5.1 and 5.2

The Region of Peel won't be the first in line to recognize that these growth plans are inappropriate at this time but you could be next, it is still possible to do the right thing. Ontario loses approx 175 acres of farmland PER DAY! It is time to re think.

The cumulative repercussions will be devastating. 100 acres here and a 100 acres there, this builds, you have the ability to reign this in. I am asking respectfully that you listen to the delegates and follow through.
