Hello, my name is Janice Whitmore and I live in south Caledon. [REDACTED]

[REDACTED]

I would like to let you know that I do not want the regions to allow this highway to be built as it can damage so much environmentally protected land, water and marshes. We need to work on keeping our land and air clean, not keep expanding our roads for more cars. A full environmental assessment should always be conducted before considering highway expansion. We need to keep our expenses balanced too.

Should you wish to speak with me, I can be reached at [REDACTED].

Warm regards,

Jan Whitmore
