AGENDA ITEMS SUBJECT TO DISCUSSION AND DEBATE

7. DELEGATIONS**7.1 Balraj Kahlon, Co-founder, One Voice Canada; and Puneet Dhillon, Manager, Punjabi Community Health Services**

Regarding Social Problems Related to Mismanagement of the International Student Program

Resolution Number 2021-924

Received

Resolution Number 2021-925

Moved by Councillor Saito

Seconded by Councillor Parrish

That the Commissioner of Human Services report to a future meeting of Regional Council on the impact of the international students in the Region of Peel on Regional Services.

Carried

Balraj Kahlon, Co-founder, One Voice Canada and Puneet Dhillon, Manager, Punjabi Community Health Services, provided an overview of adverse impacts of the federal International Student Program in the Region of Peel including: housing issues; labour exploitation and underground economy; suicide and addiction problems; sexual exploitation; student recruitment problems; high tuition fees; poor outcomes of international student graduates; and, the large number of private Ontario colleges contributing to the problem of poor economic outcome for international students. The delegates proposed that continued mismanagement of the International Student Program may be hindering the Peel Poverty Reduction Strategy 2018 and requested that the Region of Peel advocate to the federal government to review and reform the International Student Program.

Members of Regional Council discussed and asked questions regarding: tuition fees subsidized through taxation versus actual tuition costs; collaboration with public education institutions; supports currently in place for international students; and, a request to refer the matter to the Government Relations Committee to discuss better partnering with the federal and provincial governments and Ontario colleges and universities, and for advocacy to Peel-area MPs and MPPs.

Councillor Saito requested that the matter be referred to Human Services staff to report back directly to Regional Council regarding the impact on the Region of Peel and the Peel Poverty Reduction strategy prior to the Government Relations Committee's advocacy considerations.

7.2 Gurmeet Kaur, Resident of Peel

Regarding Mask By-laws and Medical Exemptions in Peel

Resolution Number 2021-926

Received

Gurmeet Kaur, Resident of Peel, provided an overview of her experience of discrimination and segregation on public transportation and at her places of employment, resulting from her health condition mask exemption. The delegate requested that the respective authorities stay true to the laws but honour the mask exemptions, make people aware of the exemptions, and help to combat the stigma to provide an inclusive, fair, and welcoming community for all.

7.3 Aneet Sidhu, Resident of Peel

Regarding Implications of Mandatory Vaccination Certificates

Resolution Number 2021-927

Received

Aneet Sidhu, Resident of Peel, stated his concerns regarding implementation of the provincial vaccination passport proposing that it is not free consent, will create seclusion, and will cause harm to families. The delegate stated his opinion that there is no reason for vaccinated persons to fear unvaccinated persons as both can transmit the virus. He stated his belief that the World Health Organization does not support a vaccine passport and requested that the Region of Peel oppose the vaccine card.

7.4 Harpreet Singh, Resident of Peel

Regarding Implications of Mandatory Vaccines and How to Preserve Human Rights

Resolution Number 2021-928

Received

Harpreet Singh, Resident of Peel, stated that as governments around the world are starting to mandate vaccines, he believes they are ignoring basic human

rights, spiritual beliefs and the rights of people to decide what goes into their bodies. The delegate noted his concerns regarding: serious vaccine side effects experienced by some people; censorship of research findings of some doctors and scientists not in alignment with the mainstream; some countries using draconian measures to keep people indoors; coercion tactics to encourage people to take the vaccine; people who do not understand medical terminology and are unable to make fully informed decisions; and, vaccination requirements to keep jobs. He requested that Regional Council take a stand against policies requiring mandatory vaccinations and protect people's rights and freedoms.

8. COVID-19 RELATED MATTERS

8.1 Update on the Region of Peel's Response to COVID-19

(Oral)

Presentation by Dr. Lawrence Loh, Medical Officer of Health

Resolution Number 2021-929

Received

Dr. Lawrence Loh, Medical Officer of Health, responded to the delegations listed as items 7.2 to 7.4 inclusive, noting that: evidence shows the vaccine is safe and effective at preventing infection and severe illness, hospitalization and mortality; there remains significant risk in the Region of Peel where approximately 400,000 persons who are still not fully vaccinated; and, vaccine certification, in a limited time period, is intended to protect unvaccinated persons in non-essential, high risk settings where measures such as masking and distancing cannot be maintained and avoid broad community closures and curtailments of businesses, schools and gatherings.

Patricia Caza, Acting Regional Solicitor, stated the provincial passport system does not mandate vaccination. The passport permits a choice, and the consequences for those who choose not to be vaccinated are in respect of restrictions to non-essential services only. If the legislation is challenged, the courts would determine whether that creates an infringement of rights. The Acting Regional Solicitor noted that the Canadian Charter of Rights and Freedoms protects certain rights, but those rights are not absolute. The Charter does provide that governments may pass legislation that places limits on rights, provided they can demonstrate that the limits are reasonable in the circumstances. A global pandemic may justify those limits.

Dr. Lawrence Loh, Medical Officer of Health, provided a Region of Peel COVID-19 status update including: vaccination and hospital statistics; Peel Public Health measures; the current vaccination approach; and, planned next steps.

Members of Regional Council discussed and asked questions regarding: hospital crowding and the potential impact on essential surgeries; the number of vaccinations received at individual clinics; the need for consistency of reporting on all Regional communication channels; disclosure of large event out-breaks; changes in vaccination rates after implementation of the vaccine passport; continued vaccinations through the VaxVan and at places of employment; a suggestion that family doctors should be encouraged to re-open for in person

appointments; availability of rapid testing; and, Peel Public Health recommendations for opportunities to build on lessons learned in 2022.

9. STAFF PRESENTATIONS

9.1 Integrity Commissioner's Periodic Report, Regional Municipality of Peel

(For information)

Presentation by Jeffrey A. Abrams and Janice Atwood-Petkovski, Co-Principals, Principles Integrity

Resolution Number 2021-930

Received

Janice Atwood-Petkovski, Co-Principal, Principles Integrity, provided an overview of Principles Integrity's role as Integrity Commissioner and an update on Region of Peel activities during the period of January 2018 to August 2021, under the categories of: policy development and education; advice provided to Councillors; and, complaint investigation and resolution.

The Integrity Commissioner noted that the Province of Ontario has recently concluded a consultation regarding municipal codes of conduct and that the Municipal Integrity Commissioners of Ontario (MICO) has made a submission which speaks to a variety of suggested amendments intended to make the application of codes of conduct more fair and more effective, across the Province of Ontario.

Members of Regional Council discussed and asked questions regarding: the Integrity Commissioner's proposed commentary related to social media; the right to remove comments and/or block participants on social media; and, a request that the proposed commentary be forwarded to the Regional Council Policies and Procedures Committee for consideration.

10. ITEMS RELATED TO PLANNING AND GROWTH MANAGEMENT

Nil.

11. COMMUNICATIONS

Nil.

14. ITEMS RELATED TO PUBLIC WORKS

14.1 Noise Wall Petition for De Rose Avenue, Town of Caledon, Ward 5

(For information) (Related to 15.1)

Resolution Number 2021-931

Referred to Public Works for a report to a future meeting

Councillor Groves requested that Regional Council support a noise wall replacement for the properties on De Rose Avenue with backyards abutting Emil Kolb Parkway; and, that the replacement of the De Rose Avenue noise wall be

added to the 2023 Capital Budget as an addition to the existing Private Noise Wall Conversion Program.

Members of Regional Council discussed and asked questions regarding: the absence of noise level readings at the location; requirements of the Region's Private Noise Wall Conversion Program; additional locations within Peel that could benefit from a noise wall; and, the subsequent effect on existing homes after trucks were redirected on Emil Kolb Parkway.

Members of Regional Council requested that the matter be referred back to staff to report to a future Regional Council meeting with a review of the Private Noise Wall Conversion Program including: a status update on the inventory that is currently being reviewed and monitored for noise wall conversion with timelines; policies regarding construction of noise walls where they don't currently exist; and, requirements of full cost coverage versus shared cost with property owners.

16. ITEMS RELATED TO HEALTH

Nil.

18. ITEMS RELATED TO HUMAN SERVICES

Nil.

20. OTHER BUSINESS/COUNCILLOR ENQUIRIES

Nil.

21. NOTICE OF MOTION/MOTION

21.1 Motion Regarding Capital Gains Tax Exemptions on Primary Residences

Resolution Number 2021-932

Moved by Councillor Saito

Seconded by Councillor Parrish

Whereas primary residences are currently exempt from a capital gains tax;

And whereas, currently secondary and additional non-primary properties are subject to capital gains;

And whereas, the federal government is currently looking into a primary residence capital gains tax as they have recognized that affordable housing has become a serious issue in Canada;

And whereas, communities including the Region of Peel, are seeing unprecedented higher selling prices;

And whereas, many hard-working Canadians who have only a primary residence with no additional non-primary homes count on their home equity as financial aid to apply to upsizing or downsizing their home depending on their personal situation;

And whereas, a change in taxation to primary residences would be a significant financial blow to Canadians and would create an unfair, two-tiered taxation which could lead to depleted savings, inter-generational disparities, disparities among

diverse groups such as seniors who may have a significant portion of their savings vested in their primary residence, as well as, reducing the ability of home ownership thereby a further, higher need for rentals;

And whereas, the federal government could look at other means to slow down the rapidly escalating housing costs to improve housing affordability;

Therefore be it resolved that the Region of Peel supports the Corporation of the Town of Fort Erie in their request of the federal government to cease further consideration of eliminating capital gains tax exemptions on primary residences;

And further, that a copy of this resolution be forwarded to the Prime Minister of Canada, the Premier of Ontario, the Town of Fort Erie, the Cities of Brampton and Mississauga, and the Town of Caledon.
