Dear Regional Chair:

As the Chief of Emergency Management for Ontario, it is incumbent on me to monitor, coordinate and assist municipalities with their respective municipal emergency management programs in accordance with the Emergency Management and Civil Protection Act (EMCPA). To confirm municipalities are in compliance with the EMCPA, every municipality in Ontario submits a compliance package to Emergency Management Ontario on a yearly basis.

Emergency Management Ontario (EMO) has reviewed the documentation submitted by your Community Emergency Management Coordinator (CEMC) and have determined that your municipality was compliant with the EMCPA in 2020.

The safety of all our citizens is important, and one way to ensure that safety is to ensure that your municipality is prepared in case of an emergency. We congratulate you on your municipality's efforts in achieving compliance in 2020. I look forward to continuing to work with you to support your continued compliance on an ongoing basis.
