

2020-2021 Reaching Home COVID-19 Emergency Funding

| Response | Description | Reaching Home COVID-19 Funding |
|--|---|----------------------------------|
| | | Amount Spent as of June 30, 2021 |
| Regional Response | | |
| Isolation and Recovery Program | The isolation program serves homeless clients who are suspected of having contracted the virus and are awaiting test results. The Recovery program serves homeless clients who have tested positive for COVID-19. As of March 31, 2021, a total of 1,528 individuals had been cared for in our isolation and recovery programs. | \$5.0 million |
| Hotels | To prevent/slow the spread of the virus within the shelter system, hotels are used to house approximately 50% of shelter clients. As of the end of August 2021, 281 homeless clients were housed in hotels. This allows physical distancing to be practiced within the shelter system. | \$4.5 million |
| Primary Pandemic Care Outreach - Medical Clinic | Street primary care medical supports provided to homeless residents by a medical doctor and registered nurses. | \$0.1 million |
| PPE, Cleaning, Security, Laundry services | Personal protective equipment, cleaning supplies, security personnel and laundry services for emergency, transitional, supportive and community housing providers. | \$1.8 million |
| Out of the cold program at St. Leonard's Place in Brampton | Evening and overnight program that will serve up to 16 homeless clients with food, clothing, and basic necessities while providing them with a safe place to sleep. Services also include access to showers and washrooms. Program ran from November 1, 2020 until March 31, 2021. | \$0.2 million |
| | Subtotal Regional COVID-19 Response | \$11.6 million |
| Community Applications | Grants were provided to 19 community agencies in Peel. | \$1.5 million |
| | TOTAL | \$13.1 million |
