**SUBJECT: PROVISION OF WATER & WASTEWATER SERVICES TO
ADJACENT MUNICIPALITIES**

1. (1) All requests for servicing of lands with water and/or sewer facilities outside the boundaries of the Region of Peel must first be approved by the adjacent municipality's council.

(2) The approval of the Ministry of the Environment (South Peel System) shall be obtained.

(3) Tri-party agreements shall be executed by both municipal councils as well as the applicant, where services external to Peel's boundary are approved.

(4) Appropriate water rates, levies, and charges shall be assessed, based on the results of the information contained above.

2. Regional Council endorses in principle the concept of providing water and wastewater services from the Peel systems to meet a portion of the needs of the adjacent municipalities based upon the following principles:

1. The current and future waste supply and sewer services to Peel ratepayers is not put at risk.

2. Peel will maintain control of the water supply and wastewater services and all related infrastructure and capital works inside Peel.

3. Incentives must be created to manage water resources prudently.

4. A system of controls and enforcement must be in place to ensure compliance with environmental standards for sewage systems within acceptable costs.

5. Peel ratepayers are not to subsidize any costs related to the supply of these water and wastewater services, including capital, design and development costs and staff time.

6. Peel ratepayers are not directly or indirectly to underwrite the financing of any costs related to the supply of these services.

7. Revenues to Peel must exceed full costs.

8. Revenues to Peel must be secured in a manner which does not place Peel ratepayers at risk.

9. Specific servicing solutions must result in benefits to Peel.
