Mr. Nando Iannicca  
Chair, Board of Health  
Peel Public Health  
10 Peel Centre Drive  
Brampton ON L6T 4B9

Dear Mr. Iannicca:

I am pleased to advise you that the Ministry of Health will provide the Board of Health for Peel Public Health up to \$44,780,000 in additional one-time funding for the 2021-22 funding year to support extraordinary costs associated with preventing, monitoring, detecting, and containing COVID-19 in the province.

Ontario recognizes the considerable time and resources necessary for public health units to continue to effectively respond to COVID-19, including leading the roll-out of the COVID-19 Vaccine Program at the local level. In recognition of these unique circumstances, public health units will have continued opportunities to request reimbursement of COVID-19 extraordinary costs, including vaccine related expenses, for the 2021 and 2022 funding years.

Dr. Kieran Moore, Chief Medical Officer of Health, will write to Peel Public Health shortly concerning the terms and conditions governing the funding.

Thank you for the important service that your public health unit provides to Ontarians, and your ongoing dedication and commitment to addressing the public health needs of Ontarians.

Sincerely,

Christine Elliott  
Deputy Premier and Minister of Health
