REGION OF PEEL
OFFICE OF THE REGIONAL CLERK

To Whom it may Concern:

I am writing this letter of support on behalf of Homeless Health Peel which exists to provide primary care and specialist health care services to individuals and families experiencing homelessness in the Region of Peel. I have firsthand seen the consequential impact they make in our community.

The COVID-19 pandemic revealed many gaps that exist in our communities and services and further marginalized those experiencing homelessness. Throughout the pandemic, Homeless Health Peel took leadership to ensure that those experiencing homelessness had a safe place for isolation through their Isolation and Recovery Program.

Homeless Health Peel is an asset to our community, and they are distinctively skilled to support the unique needs of those experiencing homelessness with their model. I hope to see that Homeless Health Peel is able to continue their services in our community.

Kind Regards

Hon. Kamal Khara
