Good Evening Regional Clerk

We represent the landowners at the North East corner of Mississauga Road and Steeles Ave together with the South West Corner of Financial Drive and Steeles Ave in Brampton.

On Tuesday February 1st, 2022, we received a formal response from Regional Planning Staff with respect to our submission and continue to digest the various policy and planning documents. Together with our Planning Consultant – KLM Planning Partners, we have actively participated in the Region of Peel's Official Plan review and Municipal Comprehensive review, and continue to do so. This included delegations at the Statutory Public Meeting, Meeting attendance/discussion and various submissions from experts regarding our concerns.

It would be appreciated if the Clerk could notify the Regional Planning Committee that:

- We continue to work towards a better understanding of the materials presented by Regional Staff on the website.
- We will be actively engaging Planning Staff in the coming days to seek clarity on some of the policies contained within the Official Plan Document.
- We may also be providing additional submissions up to the Regional Council Meeting in the Spring of 2022.

We thank Regional Planning staff for their diligent work to date and we look forward to working with them as we seek clarity on the policies of the DRAFT Official Plan document over the coming months.

Take Care,

DARREN STEEDMAN MCIP, RPP
