The Honourable Caroline Mulroney
Minister of Transportation
777 Bay Street, 5th Floor
Toronto, ON M7A 1Z8

Dear Minister Mulroney,

RE: REQUEST TO REVIEW AIRPORT ROAD AND HIGHWAY 9 INTERSECTION

I am writing to advise that at the Town Council meeting held on March 29, 2022, Council adopted a resolution requesting the Ministry of Transportation review opportunities to install advanced left turn signals at the intersection of Airport Road and Highway 9 within the Town of Caledon.

The resolution read as follows:

Whereas the intersection of Airport Road and Highway 9 often experiences significant traffic congestion of vehicles, particularly during rush hour and in the summer months;

Whereas traffic congestion will increase over time within the Town of Caledon and surrounding areas as the population grows;

Whereas the Ministry of Transportation is responsible for managing the traffic signaling infrastructure at the subject intersection;

Now therefore be it resolved that the Ministry of Transportation be requested to review opportunities to install advanced left turn signals at the intersection of Airport Road and Highway 9 to alleviate traffic congestion travelling north and west bound during peak times.

For more information regarding this request, please contact Arash Olia, Manager, Transportation Engineering for the Town of Caledon directly by e-mail to arash.olia@caledon.ca or by phone at 905.584.2272 ext. 4073.

Thank you for your attention to this matter. We looked forward to your response and next steps.

Sincerely,

Allan Thompson
Mayor
