REGION OF PEEL
OFFICE OF THE REGIONAL CLERK

For Council's consideration:

More and more residents, policy experts and organizations are speaking up in favour of no Urban Boundary expansion and a delay in approval of the Official Plan, here in Peel, and across Southern Ontario. It is in this region's best interest, in light of a hotly contested provincial election, with clear differences in party policy positions, that this Council take a "sober second thought" on the Official Plan as it is presented today, before rushing approval.
