Region of Peel  
10 Peel Center Drive  
Brampton, ON L6T 4B9

Dear Ms. Adams,

**RE: REQUEST TO REVIEW AIRPORT ROAD AND OLD CHURCH ROAD INTERSECTION**

I am writing to advise that at the Town Council meeting held on March 29, 2022, Council adopted a resolution requesting the Region of Peel review the intersection of Airport Road and Old Church Road in Caledon East to determine ways to improve traffic flow for those travelling southbound, including the installation of an advanced left turn signal to reduce illegal passing.

The resolution read as follows:

*Whereas the intersection of Airport Road and Old Church Road often experiences significant traffic congestion during morning and evening rush hour;*

*Whereas there is currently no advanced left turn signal for vehicles traveling south on Airport road and turning on to Old Church Road, resulting in an accumulation of traffic;*

*Whereas vehicles travelling south on Airport Road frequently enter into hatched pavement markings to illegally pass on the right side of vehicles waiting to turn left;*

*Whereas the Region of Peel is responsible for managing the traffic signaling infrastructure at the subject intersection;*

*Now therefore be it resolved that the Region of Peel be requested to investigate the subject intersection to improve traffic flow for those travelling southbound, including the installation of an advanced left turn signal, to reduce illegal passing.*
