Dear Regional Clerk:

Re: Notice of Meeting to Approve the 2022 Non-Matching Levy for Toronto and Region Conservation Authority

Pursuant to Ontario Regulation 139/96, (as amended by O.R.106/98), I hereby give notice that Toronto and Region Conservation Authority (TRCA) will be considering its 2022 budget including non-matching municipal levy on May 20, 2022.

In accordance with the "AMO/ACAO Protocol Pertaining to Non-Matching Municipal Funding of Watershed Programs", we are advising the Region of the date of the Board of Directors meeting at which the budget will be considered and that it may wish to direct its appointed representatives as to how they should vote with respect to the non-matching levy. The weighted voting procedure required under Regulation 139/96 provides that each member votes in proportion to their municipality's share of current value assessment, as modified.

TRCA's 2022 operating and capital levy requirements for the Region of Peel are in accordance with the funding approved by Regional Council in 2022 in the amount of $19,659,515. TRCA staff have provided finance staff of the Region with detailed capital and operating budget information.

We appreciate the continuing support and cooperation of Region of Peel in fulfillment of TRCA's vision for The Living City.

Sincerely,

John MacKenzie, M.Sc.(Pl) MCIP, RPP
