

Collaboration guides our work

Progress of key focus areas

Family Violence (FV)

Family Violence community capacity and gaps project

Launched survey to assess community capacity for addressing family violence in Peel to identify gaps, and to inform system improvements and shared advocacy efforts.

Intimate Partner Violence (IPV) Unit

Specialized police unit at Safe Centre of Peel as an onsite partner to improve access to support for survivors of violence.

Apr. to Dec. 2021: 1,558 occurrences assigned to IPV unit (avg. 195 per month).

Note: only includes criminal IPV calls.

4,745 IPV charges laid through IPV unit. Top charges were:

- Assault
 Utter Threats
 Fail to Comply
- Assault with a Weapon
 Strangulation

'Break the Silence'

Family and IPV Awareness Campaign aimed to increase public awareness and encourage conversation about gender-based violence and violence against women.

Mental Health and Addictions (MHA)

MHA

Targeted at provincial partners to increase funding for Peel's mental health and addictions system and address existing gaps in service.

Each social media post reached an average of 1,200 -1,500 individuals.

MHA action table collaborating on mental health co-design research project

A participatory research project to co-design improvements to mental health care with young adults, their family/friend carers and service providers.

Peel Situation Table (PST)

50 organizations now represented at the PST **79** situations seen at the PST in 2021

Top 5 risk factors identified in 2021:

- Diagnosed Mental Health Concern
- Antisocial/Negative Behaviour
- Housing Drug Abuse Unemployment

Situations brought to the PST involving youth:

24% involving 12 to 17-year-olds in 2021

14% involving 18 to 24-year-olds in 2021

Systemic Discrimination (SD)

Stakeholder Agreement

24 organizations signed

on demonstrating their commitment to advancing equity and inclusion and addressing systemic discrimination.

Community Engagement Strategy

This strategy will help include perspectives of people with lived experience, and will be implemented in 2022.

Disaggregated Workforce Assessment Tool

In **March 2022**, a workforce census survey and toolkit was launched to help organizations in Peel collect equity-related data on their workforce.
