

Health System Integration Committee: Region's Role in Health System Transformation

Brian Laundry, Director, Strategic Policy & Performance

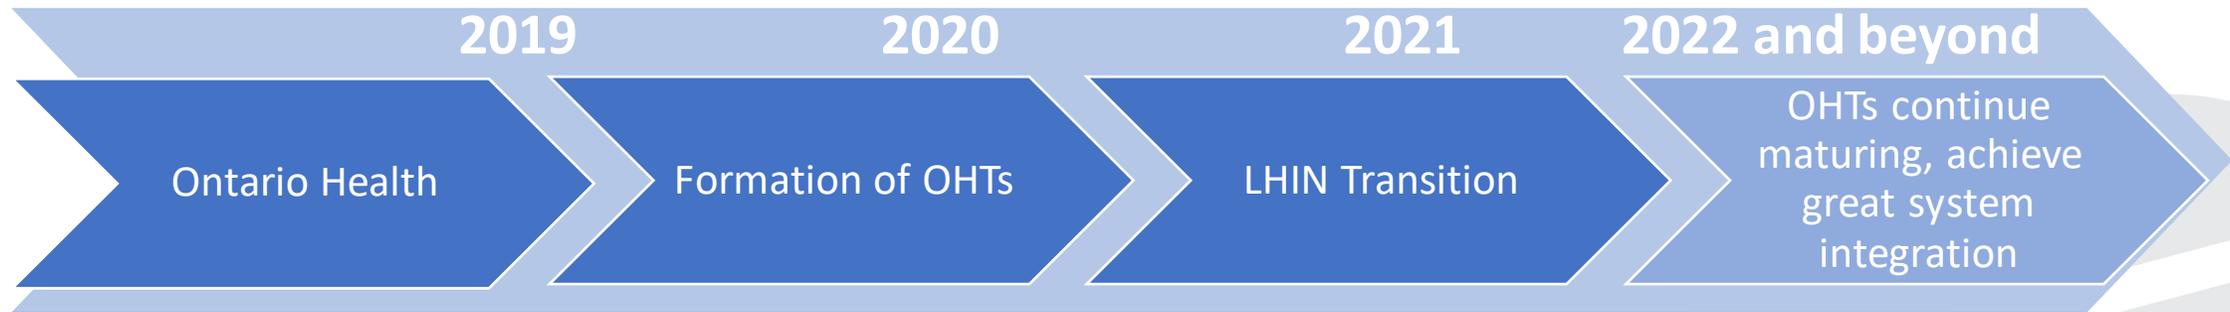

Presentation to Health System Integration Committee

May 5, 2022

Overview

- **Key Milestones 2019-2022:** Health System Transformation and Local System Integration
- **Region's Role in Supporting Health System Transformation**
- **Development of Local Ontario Health Teams (OHTs):** Current State vs. Future State
- **Region's Role:** Evolving priorities of local area OHTs
- **Key opportunities:** For the Region's Health Services and Health System Integration Committee (HSIC)

Key Milestones: Health System Transformation

- Cancer Care Ontario
- Health Quality Ontario
- E-Health Ontario
- Health Force Ontario
- Health Shared Services

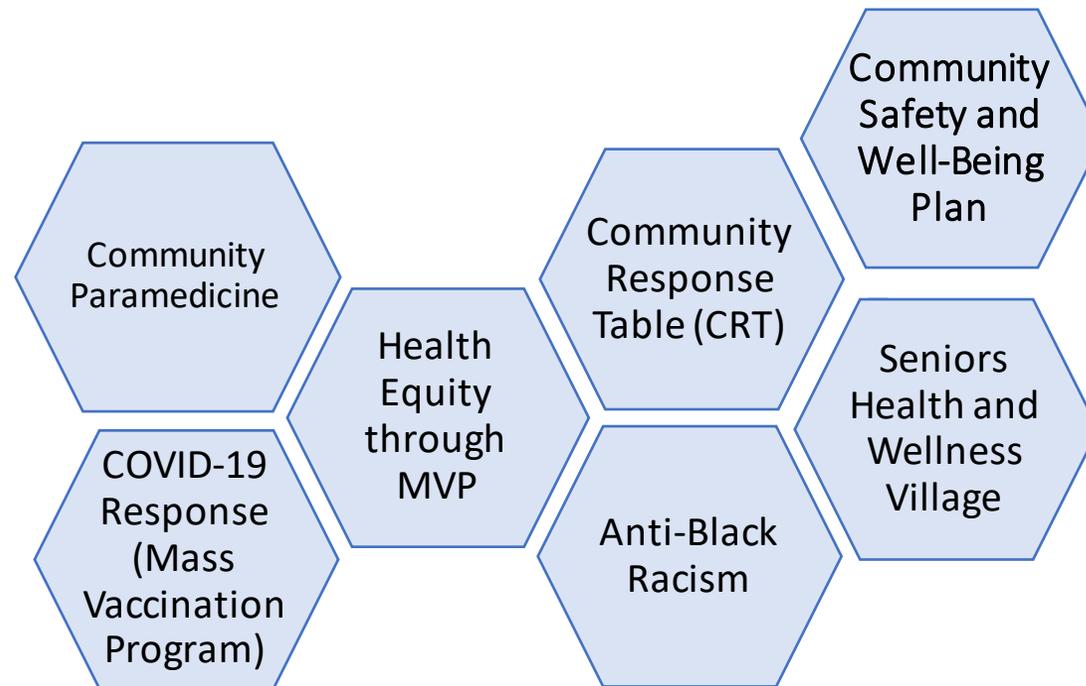

- Applications launched April 2019
- First 24 OHTs approved Fall 2019
- Additional teams approved through 2020 and 2021

- April 2021
- LHIN health system planning and funding functions transferred to OH
- Home and Community Care Support Services

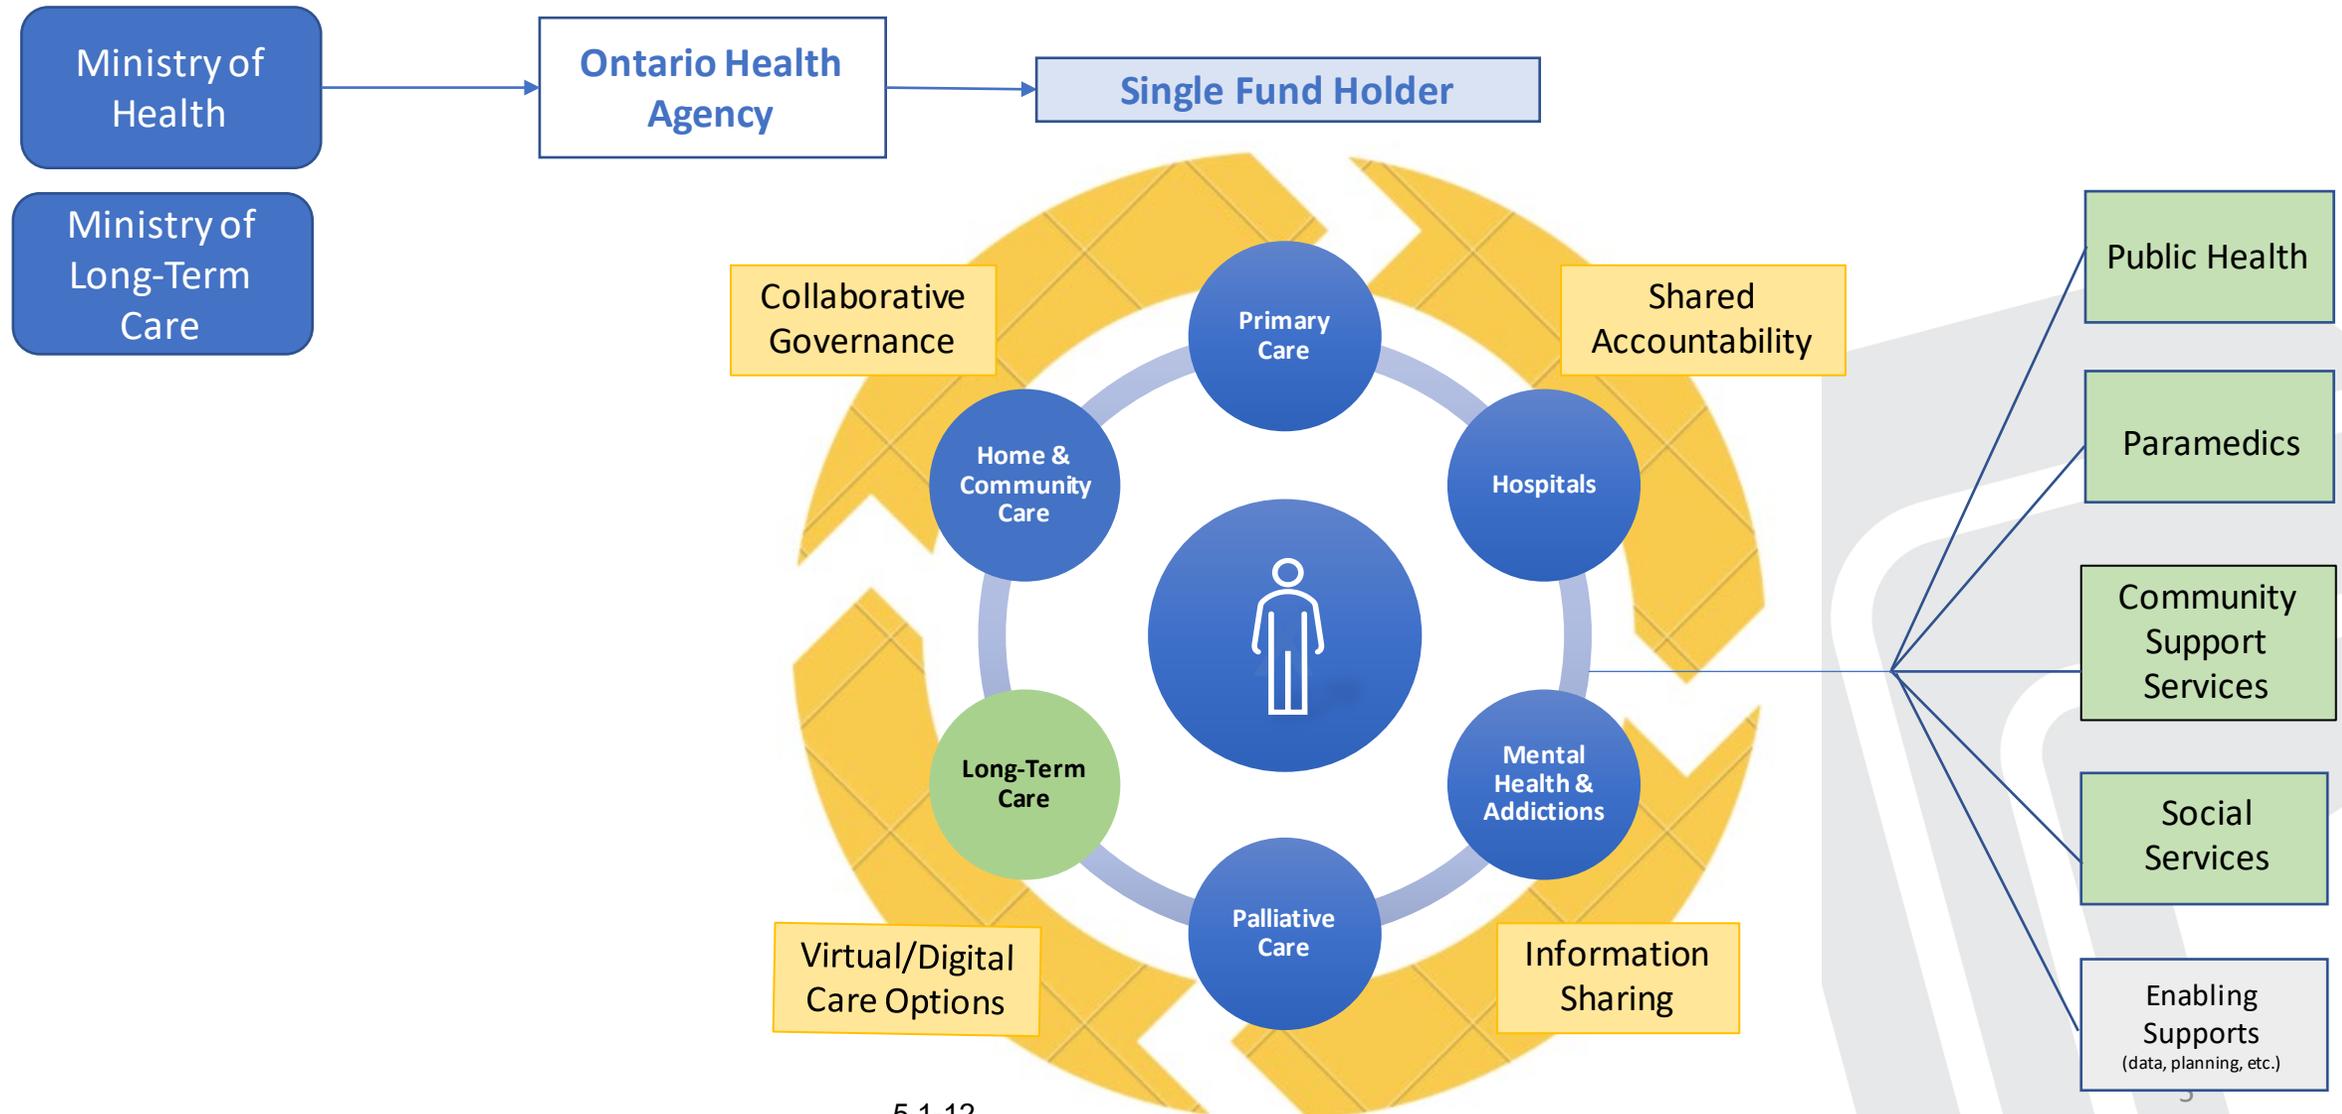

- 51 OHTs across the province
- OHTs will cover 95% of Ontarians at maturity

Region's Role in Supporting Local Health System Integration

- The Region of Peel's leadership and collaboration with health system partners has played an important role in supporting the Peel community
- Key examples have included:

Development of Local Ontario Health Teams (OHTs)

Key OHT Priorities & Region of Peel's Role

| |  |  |  |
|---|---|---|--|
| Priority Populations | <ul style="list-style-type: none"> Frail elderly | <ul style="list-style-type: none"> Minor Acute Palliative Care | <ul style="list-style-type: none"> Mental Health and Addictions Palliative Care Complex Vulnerable |
| Current Focus | <ul style="list-style-type: none"> Virtual Platform for PCPs (SCOPE) Integrated care model for high-risk patients | <ul style="list-style-type: none"> Academic Detailing for PC Palliative Care education in LTC | <ul style="list-style-type: none"> Integrated Crisis Network Caregivers Program |
| Parallel Priorities across all OHTs | <ul style="list-style-type: none"> Pandemic response and recovery Health equity Quality Improvement Digital Health | | |
