REPORT HIGHLIGHTS

- The 2021 Annual Report provides an update on Peel Regional Police's (PRP) progress to achieve the objectives outlined in the 2020-2023 Strategic Plan.
- The format of the 2021 Annual Report has been changed this year to an online only format to ensure adherence to accessibility requirements of the AODA (Accessibility for Ontarians with Disabilities Act). An online format also provides translation capabilities, making it more accessible to community members: https://ic9.esolg.ca/11140330_PeelRegionalPolice/en/who-we-are/2001-annual-report.aspx.
- Similar to previous Annual Reports, regional crime statistics are provided for key crime categories with year-over-year comparisons. In addition, five-year summary data is provided to highlight longer term trends. Divisional crime statistics will be posted in a separate document on the PRP website.

DISCUSSION

In accordance with Ontario Regulation 3/99 (Adequacy & Effectiveness of Police Services), Section 31, PRP prepares an Annual Report that identifies to the public, our members and policing partners noteworthy accomplishments of the organization and key crime trend and performance indicators as defined in the 2020-2023 Strategic Plan.

The format of the 2021 Annual Report has been updated this year to an online only format to ensure that accessibility requirements of the AODA (Accessibility for Ontarians with Disabilities Act) are met by the organization. The online format also provides translation capabilities, making it more accessible to community members. The link to the online 2021 Annual Report is provided here:

Showcasing Progress to Meet Strategic Plan Objectives

The 2021 Annual Report provides an update on the results achieved under the 2020-2023 Strategic Plan. The Strategic Plan includes three Areas of Focus:

1. Our Community; Community Safety and Well-Being Together;
2. Our People: Inclusive, Engaged and Progressive Workplace; and
3. Our Work; Accountability, Equity and Service Excellence.

Under each Area of Focus, there are specific objectives for PRP to meet, and performance indicators to track achievements. PRP has achieved significant success thus far in meeting the objectives outlined in the 2020-2023 Strategic Plan.

Crime Statistics

Similar to previous Annual Reports, regional crime statistics are included for key crime categories with year-over-year comparisons. Five-year summary data, which includes demographics, PRP's authorized complement, net budget, and key crime categories are provided to highlight longer term trends. Divisional crime statistics will be posted in a separate document on the PRP website.

COMMUNICATIONS ISSUES

Upon approval by the Police Services Board, the 2021 Annual Report link will be presented to Regional Council, and then be made available to all PRP employees via the PRP intranet, and for the public via the external PRP website.

Approved for Submission:
