

Peel Housing and Homelessness Plan

Annual Update

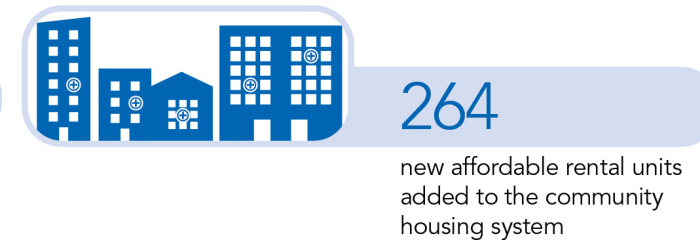

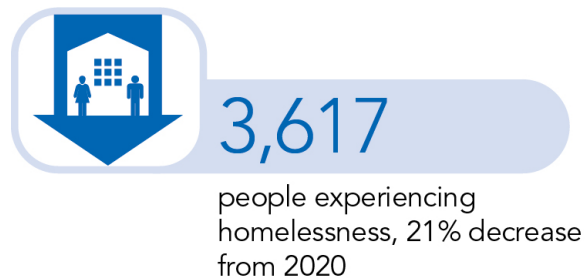

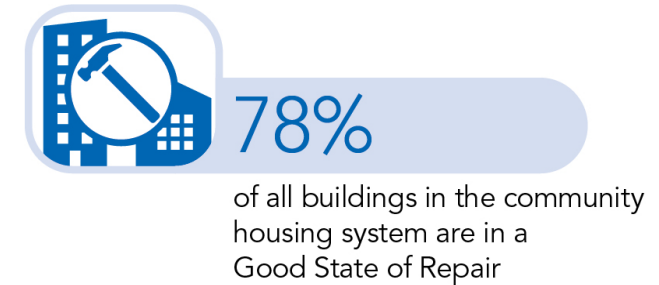

Regional Council
June 23, 2022

Key Accomplishments

- 1 Improving access to subsidy and supports
- 1 Improved access to health supports for the homeless
- 2 Building on RoP Lands
- 2 Supporting non-profit developers
- 3 Leveraging new Regional Official Plan
- 3 Implementing IZ
- 4 Partnering with homeowners to optimize existing stock
- 5 Lakeshore Lofts

2021 Outputs and Outcomes

Homelessness Programs

Outreach

- Regional program contracted out to Canadian Mental Health Association
- Budget increased by \$1.1 in March 2020 to enhance service levels
 - Street Helpline available 24/7
 - Outreach vans provide 87 hours of service each week; including evenings and weekends

Shelters

- Regional program includes 7 shelters, contracted out to Our Place Peel (youth), E Fry (Women) Services and Housing in the Province (Families), and the Salvation Army (Singles)
- Services redesigned in 2021 to be more client-centric, improve quality and outcomes, focus on diversion and removal of facility maintenance responsibility
- Shelters are safe

Continuing to Advocate

- Implementing the PHHP is making a difference, but.....
 - rising housing costs means there's an ever-growing demand for affordable housing
 - An all-government approach is vital
 - We're advocating for policy change and funding
