Dear Dr. Loh:

**Re: Ministry of Health Public Health Funding and Accountability Agreement with the Board of Health for Peel Public Health (the “Board of Health”) dated January 1, 2014, as amended (the “Agreement”)**

This letter is further to the recent letter from the Honourable Christine Elliott, Deputy Premier and Minister of Health, in which she informed your organization that the Ministry of Health (the “ministry”) will provide the Board of Health with up to \$1,446,800 in additional base funding for the 2022-23 funding year, up to \$1,077,500 in one-time funding for the 2021-22 funding year, up to \$70,247,000 in one-time funding for the 2022-23 funding year, and up to \$3,515,400 in one-time funding for the 2023-24 funding year, to support the provision of public health programs and services in your community.

This will bring the total maximum funding available under the Agreement for the 2022-23 funding year to up to \$132,052,500 (\$59,693,500 in base funding and \$72,359,000 in one-time funding). Please find attached to this letter a new Schedule A (Grants and Budget), Schedule B (Related Program Policies and Guidelines), Schedule C (Reporting Requirements), and Schedule D (Board of Health Financial Controls) that, pursuant to section 3.4 of the Agreement, shall replace the existing schedules. All terms and conditions contained in the Agreement remain in full force and effect.

We appreciate your cooperation with the ministry in managing your funding as effectively as possible. You are expected to adhere to our reporting requirements, particularly for in-year service and financial reporting, which is expected to be timely and accurate. Based on our monitoring and assessment of your in-year service and financial reporting, your cash flow may be adjusted appropriately to match actual services provided.

It is also essential that you manage costs within your approved budget.
