Nando
Dear Regional Chair Iannicca, Mayor Crombie and Mayor Thompson, Councillor Vincente and Councillor Santos:

Thank you for taking the time to meet with me at the 2022 Association of Municipalities of Ontario (AMO) Conference on behalf of Peel Region. It is a privilege to have had the opportunity to engage with the municipalities that help our province grow and prosper.

Our government knows that collaboration is the key to building strong, thriving communities. Each community has their own set of unique circumstances, and we are committed to ensuring our health care system is tailored to meet those needs.

To that end, I was pleased to hear your feedback on the need to address pressure on the health care system due to rapid growth, as well as to implement equitable funding toward mental health and addictions services.
