TO THE CITY OF BRAMPTON AND THE REGION OF PEEL

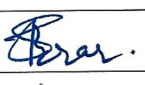

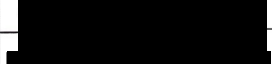

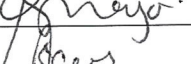

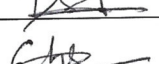

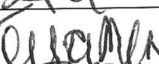

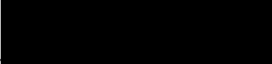

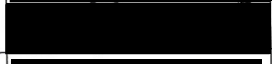

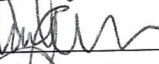

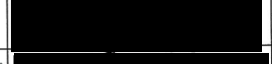

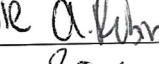

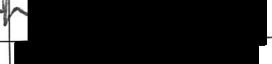

The residents and businesses around Queen and Kennedy need help with the infestation of homeless men and women, around that area.

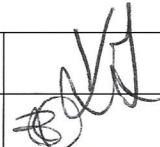

The Merrygold hotel is being paid by the Region of Peel to take care of these people, however, that's not been done, they prowl during the days and nights, preventing the residents around the Queen and Kennedy areas from enjoying a peaceful life, with the smell of human feces, urine, vomiting, and litter everywhere. It's unsafe and unsanitary.

We the people demand that the City of Brampton and the Regional of Peel help us to restore the peaceful life we once had, by terminating the contract with the Merrygold.
