OFFICE OF THE REGIONAL CLERK

Thank you for your letter on July 11, 2022. I am touched that you took the time to congratulate me on my return to Queen's Park and reappointment as President of the Treasury Board. I am honoured that the people of Ontario entrusted our government with another mandate. I look forward to working hard under Premier Ford's leadership, and with my Cabinet and Caucus colleagues, as we deliver on our government's ambitious plan to build Ontario.

I would also like to thank you and your colleagues for the important work you do for the Region of Peel. I know that the region has made great strides recently, including becoming the first municipality in Ontario to have a permanent program to address human trafficking. I appreciate your continued support for the people of the Region of Peel.

Dear Minister Sarkaria:

On behalf of the Region of Peel, I congratulate you on your successful re-election and your recent re-appointment as President of the Treasury Board. During the past four years you have been a strong voice for your constituents, and for all Peel residents. We appreciate your ongoing commitment to advance shared priorities between our respective levels of government and we look forward to continuing to build on this positive and constructive relationship.

As you know, the COVID-19 pandemic exacerbated several of Peel's unique challenges. There are escalating affordable housing challenges, higher demands for childcare, increasing costs to support our aging population, as well as unmet needs for mental health and addiction services. As elected representatives, our residents expect us to work together and focus our efforts to address these evolving needs in Peel.

We are mindful of the challenges both residents and businesses are facing as we develop the Region's 2023 budget. In the current climate, as a result of rising inflation and economic uncertainty, it will be critical to the effective and efficient delivery of mandated programs that funding from you, our provincial partner, keep pace with elevated inflation rates forecasted for 2023.

As we move further into the recovery phase of the COVID-19 pandemic, we will need to work in lockstep to be successful. Municipal governments know the local needs and concerns of our communities and the Region looks forward to partnering with you on the challenges and opportunities ahead.

Congratulations once again and I wish you much success in this portfolio. Please feel free to contact me at 905-791-7800 x4310. It would be a pleasure to hear from you.

Kindest personal regards,

Nando Iannicca
Regional Chair and Chief Executive Officer
