

Media Outlet Registration

[To be placed on Peelregion.ca on the media page. The “Register” button at the bottom would launch a separate page]

Register your print or online publication to be considered for advertising from the Region of Peel. Peel places translated advertisements to communicate and promote select Regional programs, services and events.

Language requirements

You can register a publication that serves a specific community in one of the top 15 languages in Peel, according to the 2016 Canadian Census. These are: Arabic, English, French, Gujarati, Hindi, Italian, Polish, Portuguese, Punjabi, Chinese (simplified or traditional), Spanish, Tagalog (Pilipino/Filipino), Tamil, Urdu or Vietnamese.

Once Registered

Your publication will be included in a randomly assigned annual advertising cycle. Registering does not guarantee that an advertisement will be placed in your publication. Every four years, to match the Region’s term of Council, you will be asked to validate your information or re-register for the program.

Peel Multicultural media outlet registration

The multicultural media program is a paid advertisement program managed by the Region of Peel to communicate and promote Regional information on programs, services and events.

Registered publications will be considered for paid advertisements that will be translated, if necessary, and placed into print publications targeting specific multicultural communities and the top languages spoken in Peel, according to the 2016 Canadian Census.
