**Re: Request for Dixie Road Speed Limit Change**

Dear Councillor Dasko

Please accept this submission from the Orchard Heights Homeowners' Association (OHHA) regarding our support for a speed limit change on Dixie Road from 60 km to 50 km.

As you aware, Orchard Heights residents have concerns about the level of development in and around our community. With the development plans along the Dixie/Lakeshore corridor, Dixie Mall and the Elm development on Cormack Crescent, the volume of traffic on Dixie Road will be significantly increased.

We also have numerous residents within our community concerned about the safety of bike lanes along Dixie Road. A reduction in the speed of traffic would help to mitigate their concerns.

For these reasons, we believe a reduction in the speed limit from 60 km to 50 km makes sense and will improve the overall safety for our residents.

Sincerely,

Tonya Elmazi  
 President, OHHA
