DISCUSSION

1. Background

The Procurement By-law (By-Law) requires that staff report to Regional Council regularly on procurement activity. The purpose of this report is to provide Regional Council with a summary of the procurement activity for the third triannual period (T3) of 2022, including awards made under delegated authority. Procurement activity is reported under the following categories (definitions in connection with the terms referenced below are contained in Appendix I of this report):

- Contract awards;
- Disposal of surplus goods and equipment;
- Emergency purchases (including COVID-19);
- Awards during Regional Council recesses;
- Non-compliance with the By-Law;
- Emergency purchase increases;
- Unforeseen circumstances;
- Final contract payments related to the original purchase contract; and,
- Vendor of Record purchases.

2. Key Highlights

Enhancements to the By-Law that reflect emerging public procurement trends and industry best practices, and that continue to embody the guiding principles of integrity, fairness, openness and transparency are being reviewed through the current By-Law review process, the Enterprise Resource System project and various other initiatives. All are all being undertaken to:

- maintain trust and confidence in the stewardship of public funds through objective, fair, transparent and efficient procurement processes;
- promote effective use of funds allocated by Regional Council through procurement methods, disposals and decisions that achieve best value for money;
- ensure procurement processes that are in compliance with applicable legislation and trade agreements and that have regard for social, environmental and economic factors in the acquisition of goods and services;
- enhance customer service; and,
- create efficient, effective, and modernized services.

3. Procurement Activity and Disposal Summary – T3 2022

The table below provides a summary of the procurement and disposal activity for the third triannual period of 2022 (September 1 - December 31). The Procurement Activity section of the table includes information on all awarded contracts in excess of \$100,000; emergency purchases; non-compliant purchases; vendor of record purchases; and awards made during periods of Regional Council recess. It also includes amendments made to existing contracts under delegated authority section 5.11.8 of the By-Law for emergency procurements as well those that were a result of unforeseen circumstances or were required for final payment purposes, as authorized under the By-Law. The Procurement Activity summary excludes contract renewal activity. A detailed listing of all procurement activity is referenced in Appendix II to this report.

The Disposal activity section summarizes the proceeds or trade-in values received from the disposal of Region of Peel surplus assets. A detailed listing of the disposal activity is referenced in Appendix III to this report.

CONCLUSION

The Procurement By-law builds trust and confidence in the stewardship of public funds with an emphasis on awarding contracts based on best value. Continuous improvement and modernization efforts undertaken in connection with the Region's Procurement program build on these principles to continually measure and assess the effectiveness of the Region's procurement program and enhance value for money.

This report is submitted to summarize the Region's procurement and disposal activity for the third triannual period ending December 31, 2022, in accordance with the reporting requirements set out in the Procurement By-law, and to provide key highlights observed during the period arising from the continuous improvement and modernization initiatives undertaken by the Region's Procurement Division.
