

Appendix III
Reaching Home Funding Update 2022-2023

Reaching Home Application Review with CAB Recommendations				
Agency	Amount Requested	Project Overview	Recommendation	Amount Approved
EFRY Hope and Help for Women	\$1,502,170.00	Capital Project: Assessment and Design Process for two Modular Builds at two different locations owned by agency.	Not recommended for funding as viability is not sustainable as there is no funding secured for the remainder of the project e.g. the build.	\$0
EFRY Hope and Help for Women	\$1,556,420	Capital Project: Purchase and renovation of a duplex in Brampton to create permanent housing units for individuals on the By Name List.	Not recommended for funding as not all capital applications could be approved and Caledon location for capital purchase was prioritized.	\$0
EFRY Hope and Help for Women	1,323,375.00	Capital Project: Purchase and renovation of a home in Caledon to create permanent housing units for individuals on the By Name List.	Prioritized for funding as this project will create permanent affordable supportive housing units for vulnerable families from Peel's Coordinated Access System and Peel's By-Name List.	\$1,323,375.00
EFRY Hope and Help for Women	\$1,476,753.00	Capital Project: Purchase and renovation of a triplex in Brampton to create permanent housing units for individuals on the By Name List.	Not recommended for funding as not all capital applications could be approved and Caledon location for capital purchase was prioritized.	\$0
EFRY Hope and Help for Women	\$141,634.50	Supports for individuals utilizing Ellen House Shelter such as luggage, phones, bedding, and a purchase of a vehicle to be utilized for bringing individuals utilizing the shelter to appointments.	Prioritized for funding as the items and vehicle will ensure the individuals utilizing the shelter are less visible in their experience of homelessness and have the ability to access required services.	\$154,194.50
Salvation Army	\$35,457.43	Increase in staffing, specifically Life Skills Worker.	Prioritized for funding as this project supports individuals at imminent risk of homelessness and those experiencing homelessness and the additional support will ensure they receive the interventions required to secure housing and remain housed.	\$35,457.43
Centre	\$2,677,615.82	Capital Project: Purchase of a building to	Not recommended for funding due to support services for	\$0
