Figure 1 shows a schematic diagram of the experimental setup. A subject is seated at a table, viewing a video screen. A camera is positioned above the screen. A target is placed on the table. A ruler is used to measure the distance from the subject's eye to the target. The distance is labeled as 100 cm. The target is labeled as 'Target'.

This elevation drawing shows the front facade of the building. It features a central entrance with a small porch supported by columns. The roofline is visible at the top. To the right of the main structure, there is a circular feature, possibly a well or a decorative element. The drawing includes various annotations such as "EXISTING PAVING", "NEW WALK", and dimensions like "5000".

Enhanced Contribution to the Education Base in the Peel Region

MAC OGS offers the citizens of the city an opportunity for life long learning, growth and innovation.

We offer educational services to thousands of children and families from Mississauga, Brampton, and beyond.

New open space and recreation facilities will be made available to the community with the development of learning commons and sport & recreation facilities.

MAC Olive Grove School Academic and Athletic Achievements

MAC Olive Grove School Beyond the Classroom

- EnrichIt! offers high-quality programs to take students to the next level beyond Ontario curriculum.
- MAC OGS consistently supports causes such as, Terry Fox Run, local food banks, the Heart and Stroke Foundation, Credit Valley Conservation, Tree Planting, orphans & refugee sponsorship, etc.
- Through EnrichIt! Students participate in math, science, coding, drama, and physical activities along with leadership programs that help them achieve their best, benefit others around them and become true leaders.

MAC Olive Grove School Commitment to Continued Growth

- Growing demand - 3020 children currently on the waiting list.
- 2270 Speakman drive was purchased in 2010 for the purpose to use as a high school for the continuation of our students journey at OGS.
- After a long process, the City of Mississauga has approved our rezoning of the building for school use in 2017.
- Our facility needs to continue to grow - more classroom and student space required for middle school and high school.

MAC Olive Grove School Development Charges

- MAC OGS has been in communication with the City of Mississauga and the Region to seek clarity about the DC for the last two years.
- In our effort to obtain the permit and change of use, there was a significant increase in the Development Charges.
- During this time, the charges have increased from \$286,163 to \$522,149.70.

MAC Olive Grove School

- MAC OGS has a commitment to continue to foster leadership, excellence and character building in our students.
- We request that the Region of Peel support the MAC OGS vision for education and provide relief through a grant-in-lieu of development charges.
- We look forward to resolving the DC charges and finalizing any outstanding building permit issues in order to close the permit.
