Secretariat

Provides backbone support, coordinates the various collaborative planning tables and leads drafting of the CSWB Plan along with implementation strategies

Membership: Region of Peel and Peel Regional Police staff

System Leadership Table (SLT)

Acts as the advisory committee for the development and implementation of the CSWB Plan in compliance with existing requirements under the *Police Services Act, 1990* the *Community Safety and Policing Act, 2019*

Membership: The *Police Services Act, 1990* and *Community Safety & Policing Act, 2019* outlines minimum requirements for the membership of the advisory committee that supports the development of the Plan

Extended Leadership Table (EXLT)

Advises on the development of the CSWB Plan in compliance with existing requirements under the *Police Services Act,* 1990 and the *Community Safety and Policing Act, 2019* (once in force). Supports SLT with overall strategic advice and guidance on the CSWB Plan

Membership: Elected officials

Communications Working Group

Coordinates communications around the CSWB Plan to ensure there's alignment between partners. Identifies opportunities to share progress and build the narrative of the Plan.

Membership: Region of Peel, Local Municipalities, Peel Regional Police, community partners

Steering Committee

Coordinates across CSWB Plan action tables/working groups to ensure consistency in approach and integration of collective efforts. Monitors for emerging issues, risks, and opportunities relevant to CSWB Plan outcomes. Provides advice and recommendations to the SLT on any substantive risks or changes to CSWB Plan implementation

Membership: Community Co-chairs of the area of focus action tables and the Data Monitoring and Evaluation Table, local municipalities, CSWB leads from Region of Peel and Peel Regional Police. The Commissioner of Health and Chief of Police will serve as ex-officio members

Action Tables

Leads the planning and implementation, including delivery and execution of the goals/strategies for each area of focus of the Community Safety and Well-being Plan

Membership: Community organizations and agencies in Peel that represent the sector or issue in their respective capacity

Mental Health and Addictions

Family Violence

Systemic Discrimination

Data, Monitoring and Evaluation Table

Provides advice and expertise related to the use of data to support the development and implementation of CSWB Plan including guidance as it relates to data collection and availability, measurement, analysis, interpretation, reporting, data sharing and evaluation

Membership: Data, research and evaluation experts representing community organizations and agencies in Peel
