THE DISSOLUTION OF THE REGIONAL MUNICIPALITY OF PEEL AND THE POTENTIAL IMPACT ON VULNERABLE MEMBERS OF OUR COMMUNITIES

A PRESENTATION ON BEHALF OF LOCAL COMMUNITY AGENCIES AND COMMUNITY GROUPS:

GURPREET MALHOTRA, CEO, INDUS COMMUNITY SERVICES
MICHAEL J. GYOVAI EXECUTIVE DIRECTOR, BGC PEEL
RABIA KHEDR, CEO, DEEN SUPPORT SERVICES
SHARON MAYNE, CEO, CATHOLIC FAMILY SERVICES PEEL-DUFFERIN

DISSOLUTION OF PEEL REGION AND OUR VULNERABLE PEOPLE

Agencies, non-profits and community groups in Mississauga, Brampton and Caledon are concerned about the dissolution of the Regional Municipality of Peel and the impacts on the vulnerable communities we serve and support.

You all have collectively helped us to do a lot of good work that has supported our residents and neighbours, and any instability in our sector will impact many vulnerable residents and especially as we are still in recovery from a pandemic that saw this Region as the most locked down jurisdiction in North America.

As the Region goes through this metamorphosis, community agencies and community groups would like to remind councillors to make efforts to ensure that no vulnerable members of the community experience service disruption.

PROTECTING PROGRESS AND PREPARING FOR NEW ROLES

We need to underscore the progress we are beginning to make in addressing inequities, antiblack racism and improved inclusion. Any changes to our systems needs to maintain progress.

For almost 50 years our communities have been served through a division of duties between the Two Tiers, as a new system evolves new opportunities and challenges will appear: The agencies and community groups that make up the Metamorphosis Network would like to be involved with you to ensure that our residents continue to receive the services and supports they need.

WORKING SUGGESTIONS

A new collective of community groups, non-profits and agencies are forming a group named the **Community Metamorphosis Network** and we would appreciate the assurance of stability as we go through dramatic changes over the next two years.

We would like to request that Regional funding that comes up for renewal this August and were to be distributed in January 2024 be carried over from the current funded agencies/groups to the next 1-2 years so that new municipal structures can be put in place and redistribution, if required, can be carefully planned.

Our group of organizations are available to work with anyone at any level to ensure that our most vulnerable residents continue to receive services with minimum disruption.

THANK YOU
