Gary Kent, Chief Administrative Officer
Region of Peel

Dear Mr. Kent:

On behalf of the American Public Works Association (APWA) Board of Directors, I want to thank you for your support of Kealy Dedman, serving APWA through a volunteer leadership position on the Leadership and Management Committee for the two-year term of August 2023-August 2025.

APWA committees are critical in providing quality services for our members. Through our volunteer leadership, APWA is able to fulfill its mission to “support those who operate, improve and maintain public works and infrastructure through advocacy, education and member engagement.” With the challenges we face in our communities and Nation, your support will provide invaluable resources for advancing quality of life for all. Having served on these national committees myself, I know that all communities ultimately benefit from the contributions of our volunteer leaders. Make sure you ask Kealy Dedman to keep you updated on the Leadership and Management Committee work being done!

Thank you again for your support. If you have any questions, please contact APWA Staff Liaison, Matt Harper, at (800) 848-APWA, ext. 5220 or mharper@apwa.net.

Warm regards,

W. Gary Losier, P Eng
