Agenda Number: 20.2

Date: October 19, 2023

Moved by Councillor Reid

Seconded by _____

1. That Peel Region calls on the federal government to establish a National School Food Program and dedicate appropriate funding in Budget 2024 to allocate to municipalities, provinces and territories across Canada to implement a program this year; and
2. That the Regional Chair, on behalf of Regional Council, write to the federal Minister of Health in support of establishment of a universal national school nutrition program, and
3. That this request be included as a priority in Peel Region's submission into the federal 2024 pre-budget consultation process.
