That the Regional Chair send a letter, on behalf of Regional Council, to the Federal Government supporting the creation of a national urban cycling infrastructure fund of at least \$265 million as part of a COVID-19 economic stimulus package to be distributed over the next two years to Canadian cities;

And further, that the Region of Peel support the Federal Government's recent announcement to establish a national transportation strategy, and advocate for the inclusion of longer-term sustainable funding to implement active transportation infrastructure and programs;

And further, that copies of the Regional Chair's letter be sent to the Cities of Brampton and Mississauga, the Town of Caledon and neighbouring Greater Toronto Area and Hamilton municipalities as an encouragement towards a collaborative advocacy to the Federal Government for a national urban cycling infrastructure stimulus fund.
