

Peel Community Safety and Well-being Plan Community Planning and Partnership Agreement

“We are committed to working together for a safe, inclusive and connected community for all residents of Peel”

Statement of Promise

We commit to strong collaboration to prioritize, adopt and participate in the Community Safety and Well-being Plan with stakeholders; and to facilitate access to services and supports that advance safety, inclusivity and well-being for all residents of Peel.

Purpose

The purpose of this agreement is to demonstrate a commitment to the Community Safety and Well-being (CSWB) Plan, which harnesses partners' collective and collaborative action to ensure Peel is a safe, inclusive and connected community where all residents thrive.

Community safety and well-being is broad and multi-faceted; it encompasses many areas and intersects with many sectors. Partners of Peel's CSWB Plan are working to address complex social issues facing Peel. These strong collaborative efforts will result in healthy communities that foster well-being and success.

Goals

The Goals of CSWB Partnerships are to:

- I. Develop and strengthen cross-sectoral partnerships to accomplish the shared goals, objectives and strategies of the CSWB Plan
 - II. Contribute to the well-being of Peel's residents through adoption of the CSWB Plan, legislated for municipalities in Ontario under the *Police Services Act, 1990* and to work in partnership with a multi-sectoral advisory committee comprised of representation from: *police, municipalities, local service providers in health/mental health, education, community/social services and children/youth services*
 - III. Create and sustain strategic partnerships which involves integration and alignment with applicable/relevant organizational mandates and strategic priorities
 - IV. Establish joint planning, reporting, and partnership actions in individual multi-year organizational plans
 - V. Commit to aligning organizational goals and outcomes with the CSWB plan
 - VI. Ensure strategic and efficient use of partners' resources and time
- 1) Adopt the CSWB plan to align with organizational goals, resources and outcomes
 - 2) Ongoing participation on the CSWB planning tables to support the development and implementation of the Plans strategies/ tactics
 - 3) Commit to ongoing joint strategic planning, implementation and delivery of action items and reporting to move the partnership agenda forward through the Collective Impact approach
 - 4) Support residents' well-being through commitment to excellence
 - 5) Accept this stakeholder agreement as part of our ongoing accountability to support and sustain the CSWB Plan's outcomes
 - 6) Support collaborative planning and action through a collective impact approach, evaluating mechanisms (e.g., data collection, monitoring, knowledge exchange and sharing) to track progress towards intended goals and outcomes related to CSWB plan, as appropriate
 - 7) Identify and respond to emerging trends, priorities and objectives to advance the CSWB Plan as it evolves
 - 8) Align with and build on existing collaborative initiatives and system plans that promote safety and well-being in our Peel community
 - 9) Ensure reasonable timelines and create safe spaces for engagement
 - 10) Be prepared for the conversations on challenging issues that may be facing our communities
 - 11) Take time to build trust, understanding and collective good
 - 12) Understand the impact of lived experiences
 - 13) Co-create community initiatives with residents and community members

commitment for making Peel a safer, and more inclusive and connected community where all residents thrive.

The CSWB Plan will be achieved through *strategic partnerships, applying an equity lens, social determinants of health, collective impact approach* and a *place-based approach*. Plans to address any issue will follow best practices, using multi-pronged strategies where appropriate, and will utilize the best available evidence to inform decision making.
