#### **GUIDANCE NOTE: 2018-01-01**

#### **Re: ONTARIO REGULATION 380/04 TRAINING REQUIREMENTS**

This guidance note is issued under the provisions of Ontario Regulation 380/04 (O.Reg.380/04). It is the responsibility of every municipal emergency management program coordinator, and Municipal Emergency Control Group (MECG) to follow the Chief, Emergency Management Ontario's guidance as set out in subsection 10. (2) and subsection 12. (3) of O.Reg. 380/04. These training requirements are effective January 1, 2018.

#### **Background**

Training requirements are set out by the Office of the Fire Marshal and Emergency Management (OFMEM) for all municipalities responsible for an emergency management program in the province of Ontario under the Emergency Management and Civil Protection Act (EMCPA) and it's supporting Ontario Regulation 380/04:

- The emergency management program co-ordinator shall complete the training that is required by the Chief, Emergency Management Ontario. O. Reg. 380/04, s. 10 (2).
- The members of the municipal emergency control group shall complete the annual training that is required by the Chief, Emergency Management Ontario. O. Reg. 380/04, s.12 (3).

#### **Guidance**

#### **Emergency Management Program Coordinators**

Municipal emergency management program coordinators, as designated by their municipality under O Reg 380/04 s. 10 (1), will complete the following courses offered by the OFMEM, within one year of their appointment as emergency management program coordinator.

- EM 200 – Basic Emergency Management
- EM 300 – Community Emergency Management Coordinator Course
- IMS 100 – Introduction to Incident Management System (available online)
- IMS 200 – Basic Incident Management System

Emergency management program coordinators that have already completed this training will not be required to repeat it. Notwithstanding the fact that O. Reg. 380/04, s. 10 (2) speaks specifically to the emergency management program coordinator, it is recommended that those appointed as alternate emergency management program coordinators also complete this training.

The EM 240 – Note Taking course is also a valuable course which can assist in ensuring that proper and appropriate records are maintained during an emergency. Although this course is not required, it is strongly recommended for those who have a responsibility during a municipal emergency to maintain records on behalf of the municipality.

Details of OFMEM's training courses can be accessed by following the link to "Take Training" from our website [www.ontario.ca/emo](http://www.ontario.ca/emo).

### **Municipal Emergency Control Group Members**

In addition, all members of the MECG, as designated under O Reg 380/04, s. 12, are required to annually demonstrate an adequate level of training in each of the following areas:

- Knowledge of all of the components of the municipal Emergency Management program, including, but not limited to the municipal HIRA and Critical Infrastructure list;
- Knowledge of their municipality's Municipal Emergency Plan, including their roles and responsibilities, and those of organizations which may have a role in response;
- Knowledge of the procedures used to activate and operate under the Municipal Emergency Plan;
- Knowledge of the notification procedures used to notify members of the MECG when the Municipal Emergency Plan is activated; and
- Knowledge of the location, communications infrastructure and technology in their municipal Emergency Operations Centre.

The OFMEM encourages municipalities to strive to conduct training which goes beyond the requirements listed above. OFMEM Emergency Management Field Officers are highly experienced with the planning and delivery of appropriate MECG training. This could include making suggestions for appropriate topics for this training, facilitating the sharing of training materials that may have been successfully used in other municipalities, or with the delivery of some of the training components.

In order to request this type of assistance, contact your assigned EM Field Officer directly, or contact [AskOFMEM@ontario.ca](mailto:AskOFMEM@ontario.ca) for assistance.
