Dear Ms. Granger:

**Re: 2020/21 One Time Funding—Amendment to the Long-Term Care Home Service Accountability Agreement for Infection Prevention and Control Personnel and Training**

---

The Central West Local Health Integration Network (the “LHIN”) is pleased to advise that The Regional Municipality of Peel operating as Tall Pines (the “Home”) has been approved to receive one time funding of \$62,957 effective April 1, 2020. This one time funding consists of \$42,287 to support hiring of infection prevention and control (IPAC) personnel and \$20,670 for training to support staff in enhancing their understanding of, and skills related to IPAC practices and protocols.

Details of the funding and terms and conditions on which it will be provided are set out in Appendix A.

In accordance with the *Local Health System Integration Act, 2006* the LHIN hereby gives notice that, subject to the Home’s agreement, it proposes to amend the Long-Term Care Home Service Accountability Agreement (the “LSAA”) between the Home and the LHIN with effect as of the date of this letter. To the extent that there are any conflicts between what is in the LSAA and what has been added to the LSAA by this letter, this letter including the terms and conditions will govern in respect of the funding. All other terms and conditions in the LSAA will remain the same. Any funds that have not met the conditions at year-end or any unspent funds are subject to recovery. The Home is also required to maintain financial records for this allocation for year-end audit and evaluation by the LHIN, if requested.

Please indicate the Home’s acceptance of the proposed funding, the conditions in which it is provided, and the Home’s agreement to the amendment of the LSAA by signing below and returning one scanned copy of this letter to the LHIN via email to [cwdocuments@lhins.on.ca](mailto:cwdocuments@lhins.on.ca) within one week of receipt of this letter.

Should you have any questions regarding the information provided in this letter, please contact Ivan Todorov, Manager, Funding and Allocation at [Ivan.Todorov@lhins.on.ca](mailto:Ivan.Todorov@lhins.on.ca)

The government remains committed to fiscal responsibility therefore it is critical that you continue to manage costs within your approved budget.

Thank you for your dedication and commitment to health care and the important service your organization provides to the residents of the Central West LHIN.

Sincerely,

---
