Dear Dr. Loh:

Re: Ministry of Health Public Health Funding and Accountability Agreement with the Board of Health for Peel Public Health (the “Board of Health”) dated January 1, 2014, as amended (the “Agreement”)

This letter is further to the recent letter from the Honourable Christine Elliott, Deputy Premier and Minister of Health, in which she informed your organization that the Ministry of Health will provide the Board of Health with up to \$14,081,300 in one-time funding for the 2020-21 funding year to support extraordinary costs associated with monitoring, detecting, and containing COVID-19 in the province.

This will bring the total maximum funding available under the Agreement for the 2020-21 funding year up to \$78,439,000 (\$58,246,700 in base funding and \$20,192,300 in one-time funding). Please find attached to this letter a new Schedule A (Grants and Budget) and Schedule B (Related Program Policies and Guidelines) that, pursuant to section 3.4 of the Agreement, shall replace the existing schedules. All terms and conditions contained in the Agreement remain in full force and effect.

We appreciate your cooperation with the ministry in managing your funding as effectively as possible. You are expected to adhere to our reporting requirements, particularly for in-year service and financial reporting, which is expected to be timely and accurate. Based on our monitoring and assessment of your in-year service and financial reporting, your cash flow may be adjusted appropriately to match actual services provided.

It is also essential that you manage costs within your approved budget.
