### Summary:

- The Region of Peel's rates are comparable to the rates offered across the other CMSMs.
- Burial and cremation costs are usually an added expense covered by the CMSMs.
- Most CMSMs subject their rates to annual reviews.
- CMSMs with lower rates are likely to an agreement with the funeral homes to maintain the rates.

<sup>1</sup> **Variable Direct Disposition Rate:** the maximum rate paid to the funeral home on behalf of the deceased/next of kin to cover the preparation of the remains for placement.

<sup>2</sup> **Variable Funeral Services Rate:** the maximum rate paid to the funeral home on behalf of the deceased/next of kind to cover the cost of the casket/urn and basic funeral service.

<sup>3</sup> **Flat Rate:** refers to a standard rate of financial assistance issued directly to the next of kin to support the costs of direct disposition, funeral services, burial and/or cremation.
